O R D E R

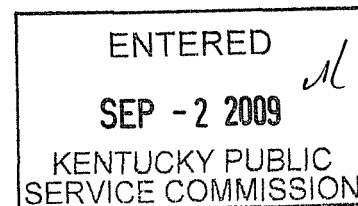

On August 14, 2009, the Commission entered an Order in this proceeding directing the Intervenor, Mr. Jerry Neal, to present written evidence demonstrating the potential loss to his property's value resulting from the construction of the proposed cell facility. The Order gave Mr. Neal 10 days to submit his filing. On August 24, 2009, Mr. Neal submitted written evidence in support of his argument that Cumberland Cellular Partnership's ("Cumberland") proposed cell site will potentially cause his property to lose value. This information was presented on behalf of Mr. Neal by and through his personal realtor, Ms. Lisa D. Rowe.

The Commission finds that Cumberland shall have 10 days from the date of this Order to submit a response to the filing made upon Mr. Neal's behalf. Upon the expiration of this deadline, Cumberland's application for a Certificate of Public Convenience and Necessity for the construction of the Coopersville cell facility in Wayne County, Kentucky will be submitted for review and decision. The filing made on

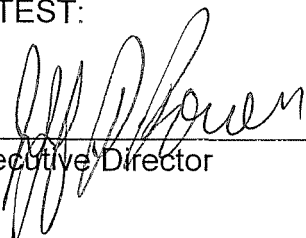

behalf of Mr. Neal and the arguments contained therein will be formally analyzed and given proper weight and consideration during the course of the Commission's deliberations on the application.

IT IS HEREBY ORDERED that Cumberland shall have 10 days from the date of this Order to submit a response to the filing made on behalf of Mr. Neal on August 24, 2009.
